THIS HOME COMPANY, CHARTERED BY the Legislature of North Carolina, insures property against loss or damage by

FIRE, LIGHTNING, OR TORNADO,

and does business on the Mutual and Joint Stock plans.

The character of those who control the affairs of the Company is a sufficient guarantee that it is, what it professes to be, a HOME ENTERPRIZE, offering ample and liberal protection against loss by fire, &c., on the most easy and liberal terms to insurers.

The TWENTY THOUSAND DOLLARS in N. C. Bonds, required by the charter to be deposited with the Public Treasurer, have promptly been so deposited and the Treasurer's receipt therefor obtained.

Policies are issued for a term not to exceed five years.

No other Company offers greater inducements to Insurers.

Now is the time for all who feel any interest in a HOME INSTITUTION to come forward and encourage this Company,—receiving, as they will, reciprocal benefit in the enhancement of value and protection of their property.

For further particulars, address the Secretary, or obtain General or Local Agents, who will, in due time, be announced.

ELECTION! ELECTION!

MAYOR'S OFFICE,
CITY OF RALEIGH, March 8, 1869.

In pursuance of a resolution adopted by the Board of Commissioners, notice is hereby given, that an election will be held on the 5th day of April, 1869, at the Court House, in this City, wherein the qualified voters of the City shall express their approval or disapproval of the question, whether the City of Raleigh shall borrow FIFTY THOUSAND DOLLARS in the manner, and for the purposes mentioned in the following act of the General Assembly of North Carolina.

WM. H. HARRISON, Mayor.

AN ACT TO ENABLE THE CITY OF RALEIGH TO BORROW MONEY FOR CERTAIN PURPOSES.

The General Assembly of North Carolina do enact: SECTION 1. That for the purposes of paying present indebtedness of the City of Raleigh, and also for meeting the expenses of improvements to be made for the same, the City is hereby authorized and empowered to issue bonds severally of such sums or denomination, payable at such time or times respectively, drawing interest at such rate, not exceeding eight per cent. per annum, payable half yearly, of such form and tenor, and transferable in such way as the Board of Commissioners of said City shall deem most judicious. The said bonds so to be issued shall be disposed of upon the best terms practicable. *Provided*, That said bonds be of the denomination of one hundred, and five hundred, and one thousand dollars, respectively, and in such proportion as may be deemed advisable, and *Provided further*, That said loan shall not exceed fifty thousand dollars, and the bonds having twenty years to run.

SEC. 2. That the Board of Commissioners of the City of Raleigh are hereby authorized and empowered, and it shall be their duty, to provide for the payment as well of the principal money as also of the accruing interest of the bonds to be issued under the power granted in the preceding section, by annually laying particular taxes for these special purposes on all the persons and subjects of taxation on which said Board of Commissioners now are or hereafter may be authorized to lay taxes, for any purpose whatever, and such taxes shall be collected and specially and exclusively applied to the satisfaction and discharging of the interest, and also of the principal money of such bonds, and so much thereof as may not be annually required to pay such interest and cannot be applied in discharge of the principal money of said bonds, shall be so invested as to secure the payment of such principal money upon maturity of said bonds. For the purpose of securing the due investments of the amount to be collected from year to year and applicable to the payment of the principal money of said bonds, the Board of Commissioners aforesaid shall appoint some suitable person to be styled "Commissioner of the Sinking Fund of the City of Raleigh," whose duty shall be, under such general rules and regulations as said Board of Commissioners shall from time to time prescribe, to make investments of so much of the taxes collected as aforesaid as shall be applicable as aforesaid to the payment of the principal money of said bonds, and to do and perform all such other services in connection with the debt of the City of Raleigh as said Board of Commissioners may prescribe, and such Commissioner shall give bond, and receive such compensation for his services as said Board of Commissioners may determine.

SEC. 3. That none of the bonds authorized to be issued by the first section of this Act shall be disposed of otherwise than by sale, exchange or otherwise, for any purpose whatever, other than that declared in said section; nor shall any of said bonds be applied either by sale, exchange or otherwise, in satisfaction, discharge or renewal of any one of the class of debts referred to in said section, until such debt shall have been first duly audited and approved by the Board of Commissioners of the City of Raleigh.

SEC. 4. The provisions of this Act shall be submitted to a vote of the qualified voters of the City of Raleigh, at an election to be held at the Court House in said City, at a day to be designated by the Commissioners thereof, which shall not be less than thirty days after the ratification of this Act. Those approving the provisions of this Act shall deposit in the ballot-box a slip folded containing the printed or written word "Approved." Those disapproving the same shall deposit a like ballot with the words "Not Approved." If a majority shall vote "Approved," it shall be deemed and held that a majority of the qualified voters are in favor of giving the Commissioners authority to issue the bonds of the City as mentioned in this Act, and likewise to levy and collect the necessary taxes to pay the interest and principal of said bonds as above mentioned. If a majority of said voters shall vote "not Approved," then this Act shall be of no effect. Those qualified to vote for Mayor and Commissioners of said City, and none others, shall be allowed to vote, and the election shall be held and returns made, under such rules and regulations as in the case of election of civil officers. It shall be the duty of the Mayor to cause a copy of this Act to be posted at the Court House door, and to be published in the Raleigh *Standard* and *Sentinel*, daily for twenty days preceding the election, and he shall publish in like manner a notice of the election. Public notice shall be given of the result of the election.

SEC. 5. The Commissioners of the City of Raleigh shall have power, consistently with the laws of the State, to provide for the registration of voters, and to take all measures necessary and proper for holding the election as contemplated in this Act.

SEC. 6. This Act shall be in force from and after its ratification.

Ratified this 3d day of March, A. D. 1869.

SENATE.

WEDNESDAY, March 31, 1869.

Senator from Forsyth was granted leave of absence for the balance of the session.

Leave of absence was granted Mr. Robbins, for the balance of this week.

Mr. Burns presented a minority report on the location of the Penitentiary. Recommends some point on the Deep River, hereafter selected.

Message from the House concurring in certain Senate bills, and transmitting House bills, asking the concurrence of the Senate.

House bill authorizing the Cape Fear Agricultural Association to recieve donations in land, was read first time—and,

On motion of Mr. Brogden, it was not referred to a Committee, but placed on the calendar.

House resolution prohibiting the introduction of new bills the present session, was read first time, and

On motion of Mr. Brogden, tabled.

Hyman, colored, moved a reconsideration of the vote by which the Public Treasurer, on yesterday, was authorized to borrow money. Resulted yeas 33, nays 10.

Question then recurring on the passage of the bill on its third reading—it was amended, authorizing the Treasurer to pay a rate of interest as high as 8 per cent for the loan. The bill then passed its third reading. Yeas 33, nays 12.

Mr. Respass introduced a bill regulating the salary and fees of the Supreme Court Clerk—fixes salary at $1,000, with certain fees. Referred.

Mr. Moore, of Carteret, introduced a bill authorizing the Superintendent of Public Works to select two laborers to assist in locating a Turnpike road in the county of Carteret.

On motion of Mr. Moore, the rules were suspended and the bill passed its several readings.

Mr. Love gave notice of a bill repealing an ordinance in relation to the pardon of Confederate soldiers and officers.

Mr. Forkner introduced an act to prohibit the sale of spirituous liquors on the line of the N. C. Northwestern Railroad. Read first time and referred.

Mr. Hayes gave notice of a bill to build the Pee Dee Railroad through the counties of Cumberland and Robeson.

The special order being the report of the Committee on the location of the Penitentiary, and the bill providing for its location and erection, was read the second time.

Mr. Barrow moved to strike out "Greensboro', Guilford county."

Mr. Osborne presented the claims of Salisbury.

On the motion to strike out, the yeas and nays were called and resulted yeas 20, nays 13.

Mr. Brogden moved to fill the blank with, "at or near Raleigh."

Mr. Cook moved to amend by inserting "Selma, Johnston county," and called for the yeas and nays—resulted yeas 18, nays 22.

Mr. Barrow moved to insert "at or near the Gulf, in Chatham county."

Mr. Brogden advocated the location at or near Raleigh, and set forth the many advantages which the location has over all others.

Mr. Burns presented the claims of Lockville.

Mr. Barrow amended his motion by saying "at or near Lockville."

Mr. W. D. Jones advocated the claims of Raleigh.

Mr. Love asked, where is the stone to come from, provided Lockville is made the site?

Mr. Burns answered, there is stone enough within half a mile of Lockville. He thought it a question of law, whether any other site than Lockville could be selected, as the State had contracted for the erection of the Stockade, &c. Coal, wood, and pure water were abundant at Lockville.

Mr. Love was astonished to find Mr. Burns advocating Lockville, when, a day or two ago, he, Mr. B., was with Mr. L. on this question.

Mr. L. knew what was *there*, and what was not *there*—the very thought of Lockville, and the swindle attempted, disgusted him. The contract for the stockade, and the timber carried there, he undertook to say, would never be paid. The contract had been evaded, as it would not pay the contractors, &c.

Mr. Love said the Lockville *site* was a *sight*, hung out to dry. Mr. L. gave a description of the land, as being almost impassible, even by horse-back travellers. The water power spoken of was at the mercy of the Deep River Manufacturing Company, &c.

Mr. L. said the same company interested in its location heretofore, were still around, interested *now*, in the same location.

The stone, spoken of, it turned out, was fetched by one of the ring—and the mere mention of Lockville, filled him with loathing and disgust, and this Legislature had better be careful how they step in that direction.

The question recurring on the motion to insert "at or near Lockville"—resulted yeas 18, nays 20.

Mr. Barrow now moved to amend by inserting "at, or near the Gulf."

Mr. Graham would not vote for a location but to any Committee—if the spot is designated, then he would vote to locate. He thought Raleigh the place.

The yeas and nays being called on Mr. Barrow's motion, resulted, yeas 14, nays 22.

Mr. Osborne moved to amend, by inserting "Salisbury"—and stated Salisbury offered 500 acres of land, and $10,000 in money—they invite investigation, and propose to pay the expenses of the Committee in their investigation—he was sorry to say, this location had no water power, but abounded in all the material necessary to build. He believed water power was not by any Penitentiary in the United States—it was unnecessary. Salisbury had the advantage of Railroad facilities, &c.

Mr. Welker, said the City of Salisbury had acted nobly towards the State, in their offer, and in contrast with the City of Raleigh, and neighborhood, which has exhibited selfishness in the matter. He contrasted the energy and enterprise of citizens of Raleigh with Salisbury—there was no evidence of energy in Raleigh—she would not rebuild her works when destroyed, &c., and, although he had nothing to say against the seat of government, he would give his vote, heartily, for Salisbury.

Mr. Brogden replied to Mr. Welker, and contrasted the healthfulness of Salisbury with Raleigh—Salisbury had always been understood as being very sickly, while Raleigh was proverbial for its healthfulness, &c. Mr. B. again set forth the great advantages possessed by Raleigh over Salisbury.

Mr. Osborne in reply, defended Salisbury from the charge of being unhealthy.

Mr. W. D. Jones, next gained the floor, and advocated the location at Raleigh, and replied to the remarks of Mr. Welker.

Mr. Wynns advocated the claims of Raleigh—it, Raleigh had been fought at, ever since it has been the Capital of the State—and simply because it was the Capital.—Raleigh is *twitted* now, because she did not come forward and offer a picayune consideration to locate the Penitentiary here. Is North Carolina a beggar, asking bids for her public works?

The vote being called,

Mr. Welker hoped Senators would remember, when they go to give their vote, the liberality of Salisbury. The State policy should be against centralization—the public institutions should not be concentrated at Raleigh. Do this, and you put the power in the hands of a few men. He protested against this concentration of power, and did so, as a Republican. Patronage should be diffused through the State, under the control of different men.

Mr. Smith thought there had been unjust imputations thrown out against the citizens of Raleigh. He had a different opinion of them; he had found them liberal and generous.

Salisbury was his old County town—Rowan his native County. He should first vote for Salisbury, and then, if that should fail, he would go for Raleigh.

Mr. Love disclaimed any intention to reflect upon the citizens of Raleigh. He should remember, with pleasure, the many courtesies shown him in Raleigh; still, he was bound to consider the claim of Salisbury, among other reasons, for her liberality, while Raleigh had offered nothing, &c.

Mr. Brogden again addressed the Senate, in defence of Raleigh.

Mr. Martindale said he had patiently listened to this debate about stone, location, &c., and would give notice that he would propose an amendment; that the Penitentiary be built on wheels, so that it could be run around for all to see. [Laughter.]

Mr. Beeman said, in reply to Mr. Brogden, as to the health of Salisbury, he would inform that gentleman, that "they had to kill a man to commence a grave-yard in Salisbury."

The question recurring on the amendment proposed by Mr. Osborne, to insert Salisbury—resulted yeas 18, nays 17.

A. H. Galloway, colored, moved to refer the bill to the Committee on Prisons and the Penitentiary.

Mr. Respass called the previous question, and the bill being on its second reading, resulted in yeas 19, nays 16.

Mr. Barrow moved a reconsideration of the vote. Pending this motion, the Senate adjourned.

HOUSE OF REPRESENTATIVES.

WEDNESDAY, March 31, 1869.

Journal of yesterday read and approved.

Leave of absence was granted to Messrs. Guster, Humphries, Ferebee, Hodgin, Peck and Ames.

By Mr. Malone: A bill to authorize the election of Superior Court Judges by the voters of their respective Districts. Referred.

By Mr. French: A bill to incorporate the Wilmington and Seaside R. R. Co. Referred.

By Mr. Justice, of Rutherford: A bill to provide for a special term of the Superior Court in Rutherford county. Referred.

On motion of Mr. Robinson, the rules were suspended, and the resolution in favor of Jacob Siler was taken up and passed its third reading by a vote of yeas 59, nays 6.

On motion of Mr. Moore, of Chowan, the rules were suspended, and his resolution, raising a Joint Committee of two, on the part of the House, and one on the part of Senate, to investigate and examine the affairs of the Albermarle and Chesapeake Canal Company, was taken up.

Mr. Moore said, in advocacy of the resolution, that the State had, for a long time, been defrauded of her dividends, and that the affairs of the Company have been most grossly mismanaged, &c. The large amount of stock owned by the State in this Canal made the raising of this Committee a matter of great importance.

After a long discussion, the resolution was amended, put to a vote and rejected.

On motion of Mr. Seymour, the rules were suspended, and the bill to amend chapter 44, section 5, of the laws of the Special Session of 1868, entitled an act in relation to punishments, was taken up and passed its several readings.

By Mr. Sutley: A bill to authorize the Sheriff of Beaufort county to collect arrearages of taxes. Referred.

By Mr. Jarvis: A resolution in favor of the Reporters of the two Houses. Referred.

The discussion upon the substitute for an act to provide for a system of public instruction was resumed.

The question recurred upon the adoption of section 32 which was adopted.

A long debate ensued upon section 33, which provide that the Committee of any townships shall, when they deem it advisable, call a meeting of the voters who either reside or pay taxes in the townships and sub mit to them the proposition for a continuance of the school beyond the four months required by law; and shall also submit to them an estimate of the expenses per month for the continuance of said school.

Mr. Bowman supported the amendment—recommended by the Committee to strike the section out. He did not think the people could, at present, bear the taxation necessary to keep up the schools for longer than four months in the year, &c.

Messrs. Harris, of Wake, colored, Downing, Estes, Vest, Hodgin and Morris, colored, opposed the striking out.

Mr. Pou thought that in consideration of the impoverished condition of the people to keep up the schools for the four months as required by the Constitution was as much as the Legislature ought to do at present. He was in favor of striking out the section.

Mr. Sinclair moved to strike out the words "either" in line 3 and in same line strike out "or" and insert "and," making it then read "who reside and pay taxes in the townships."

Mr. Bowman said the amendment should be amended by inserting after the word "taxes" the words "for this specific purpose," in order that the question of continuing the schools might be left to those who had to pay the taxes for it.

Mr. French thought the richer ought willingly to pay for the schooling of his poorer neighbor. He hope the section would be left as it was in the bill, as he thought all electors in the Township should have a voice in the matter. He thought that any voter who paid his poll tax should be consulted as much as the property tax payer, &c.

Mr. Bowman said such legislation would soon lead to agrarianism. He represented a poor constituency, but among them were some property holders, and he thought it his duty as an honest and conscientious Representatives, to legislate to protect the the property holder in his just and lawful rights as well as the non-property holder. He would tell gentlemen that the white Republicans, black Republicans, and the poor Republicans of Mitchell County were not prepared to endorse the extreme and agrarian ideas and principles as announced in this House.

Mr. Ingram hoped the section would be stricken out. He did not think the people could afford at present to keep up the schools for a longer period than four months, &c.

Isham Sweet, colored, argued in favor of the section without amendment.

Mr. Sinclair said that no man should be allowed to vote at any time who could not show a receipt for his poll or property tax. He hoped his amendment would be adopted but if it was rejected he would support the section as it stood.

After some further debate Mr. Sinclair, called the previous question upon his amendment.

The call was sustained and the amendment was put to a vote and lost.

The question recurred upon the amendment reported by the Committee, striking out the section.

Mr. Bowman said he desired to remind the gentleman from Wake, (Harris,) who said that he (Bowman) had departed from the principles of the Republican party—that there were three great principles laid down by the Republican party, and each member of the House had sworn to support—"protection to life liberty and property." Now he re a e the right to property as being as sacred as any right and the section as it stood was so manifestly unjust in its provisions that he did not see how any one could object to its being striken out &c.

The motion to strike out was put to a vote—and prevailed by the following ballot:

YEAS—Messrs. Allison, Armstrong, Barnes, Boddie, Bowman, Carson, Clayton, Davis, Davidson, Durham, Ellis, Ferebee, Gibson, Gilbert, Green, Grier, Guster, Harris, of Franklin, Harris, of Wake, Hawkins, Hendricks, Hicks, Hinnant, Hodnett, Humphries, Ingram, Jarvis, Justus, of Henderson, Justice, of Rutherford, Kelly, of Davie, Long, of Richmond, Malone, Matheson, McMillan, Moring, Moore, of Alamance, Nicholson, Painter, Pou, Robinson, Shaver, Smith, of Alleghany, Smith, of Wayne, Snipes, Thompson, Vestal, Welch, Williams, of Harnett, Williams, of Sampson, and Wilson—50.

NAYS—Messrs. Ames, Banner, Blair, Carey, Cawthorn, Cherry, Dixon, Downing, Estes, Forkner, French, Gahagan, Hayes, Hilliard, Hodgin, Hoffman, Horney, Hudgings, Kinney, Leary, Mayo, McCanless, Mendenhall, Moore, of Chowan, Morrill, Morris, Pearson, Price, Renfrow, Robbins, Reynolds, Seymour, Siegrist, Sinclair, Simonds, Stevens, Stilley, Sweat, Sykes, Vest, Wilkie, and Wiswall—42.

Sections 34, 35 and 36, were adopted, whole.

Mr. Bowman moved to reconsider the vote by which section 34, was adopted.—Carried.

Mr. Bowman then moved to strike out the section.

The yeas and nays being called the section was stricken out by a vote of yeas 46, nays 31.

Wilson Carey, colored, moved to lay the bill on the table.

The House refused to adopt the motion by a vote of yeas 8, nays 65.

House adjourned.

SENATE.

NIGHT SESSION.

WEDNESDAY, March 31, 1869.

Message from the House concurring in in the Senate amendment to the bill authorizing the Treasurer to borrow money to supply a deficiency in the Treasury.

The unfinished business of the morning, being the motion to reconsider the vote by which the bill establishing the Penitentiary, passed its second reading.

Messrs. Barrow and W. D. Jones, urged a reconsideration, on the ground of hasty action this morning, and the imperfect shape in which the bill now appears. Mr. Jones held, that, the location at Salisbury, was unfortunate, at least in one respect and that was, economy would point out Raleigh, as the place, as, according to population, the greater number of convicts would in all probability come from the centre and the east.

Mr. Osborne said, "Westward the star of Empire takes its way"—and if Salisbury and the West had not now the population, it would have, and it would also have the wealth.

Mr. Welker arose to ask the question; Was not this eagerness to reconsider caused in consequence of other foxes who have lost their caudle appendage.

Mr. Cook supposed he was one of the foxes to whom the Senator from Guilford alluded when he spoke of foxes who had lost their tails. While he did not feel very bad over the loss, it seemed a pity that, after the delightful visions of the old fox from Guilford, who, all the afternoon had seen a noble granite edifice rising up in the old colonial town in the mountain region—it was a pity, that, after this bright vision we should take the tail from this old fox—but, he very much feared the temper of the Senate is such that he, the Senator, would have to suffer the same penalty awarded to the younger foxes.

Mr. C's. objection to this bill was that, upon the representation of the Senator from Mecklenburg that ten thousand dollars in money, and land to the amount of five hundred acres said to contain a quarry of granite suitable for building purposes—all in the shape of a gratuity to the State—it, nevertheless provides for a Board of Commissioners who are empowered not only to buy land, but they may impress land, quarries, right of way, &c. If we accept the proposition of the Senator, why should we give this power to these Commissioners, when we have the lands and sufficient quantity of rock for its construction? Are we to have another commission who shall have power to purchase another 5,000 acres—if we are, then he should vote against the bill. What guarantee have we that these gifts would be forthcoming—none.

A. H. Galloway, colored, favored a reconsideration—he was for a central location. He thought convicts would never live to come from the walls of a Salisbury Penitentiary—they would shake themselves to death with chills.

Mr. Brogden was unwilling that the decision of the Senate this morning should stand. The position of Senators reminded him of the anecdote of the mouse and the elephant—the two were travelling and came to a bog. The mouse lightly passed across, and the elephant, in attempting to cross got mired, and asked, how am I to get across? The mouse replied, take hold of my tail, and I'll pull you across. And this was the way with the Senator from Mecklenburg—who now invites Mr. Welker to catch hold of his tail, and he'd pull him across.

Mr. Beeman asked, what application the mouse tail and the fox tail had to the matter under discussion.

Mr. Brogden—none; only in reply to the radical position of some Senators.

Mr. Brogden continued his remarks, at some length, in favor of a reconsideration, and the location of the Penitentiary near, or at the city of Raleigh.

Mr. Moore, of Carteret, thought the Senators were prepared to vote on this motion to reconsider, and he therefore moved the previous question. Prevailed.

By leave, Mr. Osborne read an obligation, to make good the proposition submitted by him in behalf of the citizens of Salisbury—to which obligation, Mr. Osborne offered his own name.

The vote being taken, on the motion to reconsider, resulted yeas 17, nays 16.

Mr. Barrow then moved that the bill be considered by sections.

A. H. Galloway moved to lay the bill on the table—resulted, yeas 13, nays 18.

The motion to consider by sections prevailed.

Mr. Brogden moved to strike out the 1st section—(this section contains the location.) Resulted, yeas 15, nays 19.

Sections 2 and 3, adopted without amendment.

Section 4 being read, the blank left to be supplied with Commissioners, the Senate proceeded to fill with the names of C. L. Harris, Alfred Dockery, and Sam'l. P. Patterson.

Senate then adjourned.

HOUSE OF REPRESENTATIVES.

AFTERNOON SESSION.

WEDNESDAY, March 31, 1869.

The consideration of the school bill was resumed.

The question recurred upon the adoption of section 39, which provides that the County Commissioners of each County respectively, shall, as soon as practicable, after the passage of this act, and biennally thereafter, on or before the fourth day of March, appoint some person of good moral character and attainments; whose certificates and credentials are approved by the Superintendent of Public Instruction, to be styled "County Examiner," who shall hold his office for two years, and until his successor shall have been duly commissioned and qualified.

The amendment, reported by the Committee, inserting after the word "person" the words "resident of the County" was adopted.

The other amendment, reported by the Committee, striking out the words "whose certificates and credentials are approved by the Superintendent of Public Instruction," was next adopted.

The section was then adopted.

Section 40 was read. [Provides that the county commissioners shall allow the County Examiner a sum not to exceed $3 per day for each day of actual service.]

The Committee recommended the amendment that the money should be paid "out of the school fund," and that the services of the Examiner should be "determined by the county commissioners." Amendments agreed to and the section adopted.

The Committee recommended that section 41 be amended by prescribing that the County Examiner should give notice of the time and place for the examination of persons desiring employment as teachers by advertising in a newspaper, or by written posters. Agreed to.

Paragraph 5 of the section reads that the County Examiner shall have power, and that it shall be his duty "to enforce the course of study, and the use of text books adopted by the State Board of Education.

The Committee recommended that the word "adopted" be changed to recommended.

Mr. French moved to amend the amendment by inserting the word "prescribed."

Considerable discussion was participated in by Messrs. Bowman, French, Moore, of Chowan, and others; in the course of which Mr. French said, that if a wholesome system of public instruction should fail to be provided for, the failure would be justly chargeable to those recreant Republicans, who were on the streets of the city, and absent from their seats.

Mr. Moore, of Chowan, disclaimed any party bias in his course on the bill under consideration.

The yeas and nays were ordered.

The amendment of Mr. French was disagreed to—yeas 27, nays 46.

The word "recommended" was then inserted, as proposed by the Committee.

Mr. Bowman moved to substitute for paragraph 5 the words "to enforce the course of study as far as practicable provided in section 45."

The substitute prevailed—yeas 45, nays 32—and the section, as amended, was adopted.

Section 42, 43, 44 and 45 were adopted.

Mr. Bowman moved to strike out section 46, which provides that "in every school there shall be a daily Bible exercise, to which all the pupils shall give attention."

Mr. Bowman explained that he made the motion to prevent the introduction of sectarianism in the public schools.

Mr. Mendenhall didn't regard the Bible as a sectarian book, and hoped the motion would not prevail.

Mr. Ingram supported the motion. Different religionists used different translations of the Bible, and it might be a question what "the Bible" really was. The Roman Catholics used what is termed the Latin translation or "Vulgate," the protestants generally "King James' version," and there was a movement on hand by a *large* body of the Baptist denomination to retranslate the Scriptures. To prevent the confusion that might result from the section if adopted, he hoped the motion to strike out would prevail.

The yeas and nays were ordered, on motion of Mr. Gunter.

The motion to strike out prevailed by the following vote:

YEAS—Messrs. Allison, Banner, Barnes, Bowman, Carson, Cawthorn, Cherry, Clayton, Davidson, Durham, Ellis, Ferebee, French, Gibson, Gilbert, Grier, Humphries, Ingram, Justus, of Henderson, Justice, of Rutherford, Kelly, of Davie, Kinney, Ladlin, Long, of Richmond, Matheson, McMillan, Moore, of Chowan, Painter, Pou, Renfrow, Robinson, Seymour, Smith, of Alleghany, Smith of Wayne, Stilley, Sweat, Thompson, Welch, Williams, of Sampson and Wilson—40.

NAYS—Messrs. Armstrong Blair, Boddie, Crawford, Forkner, Foster, Gahagan, Gunter, Hawkins, Hayes, Hinnant, Hodgin, Hodnett, Hoffman, Horney, Hudgings, Malone, Mayo, McCanless, Mendenhall, Moore, of Alamance, Morrill, Morris, Nicholson, Pearson, Price, Reynolds, Shaver Siegrist, Sinclair, Snipes, Stevens, Sykes, Vestal, Vest and Williams, of Harnett—38.

Messrs. Carey, colored, and Leary, colored, were excused from voting.

Sec. 47 was amended so that no school should be kept in session more than six hours per day.

Mr. Stevens moved to strike out section 53, which provides that teachers shall hold their pupils strictly accountable for any disorderly conduct on the way to and from schools, and on the play grounds. Motion lost.

Section 55 provides that if any teacher should be dismissed before expiration of contract by any school authority such teacher should have the right of appeal to the County Commissioners, &c.

Mr. Sweat moved to strike out "authority" and insert "committee." Not agreed to, yeas 33, nays 50.

Section 56 reads, "the school authorities of each and every township shall establish a separate school, or separate schools, for the instruction of children and youth of each race resident therein," &c.

To test the sense of the House, Mr. French moved to strike out "a separate school or separate" in line 2, and the words "of each race" in line 3.

Mr. French moved the previous question on his amendment. Agreed to.

The amendment was lost—yeas 73, nays 4, only Messrs Cherry, colored, Hayes, colored, Hudgins, colored, and Ladlin, voting in the affirmative.

J. S. Leary, colored, moved to amend the section by changing the words "*shall* establish" to "*may* establish."

The amendment was rejected by the following vote:

YEAS—Messrs. Carey, Cawthorn, Crawford, Forkner, French, Hayes, Hodgin, Hudgings, Ladlin, Leary, Mayo, Morrill, Morris, Price, Renfrow, Reynolds, Stevens, Sweat and Sykes—19.

NAYS—Messrs. Allison, Armstrong, Banner, Barnes, Blair, Boddie, Bowman, Carson, Clayton, Dixon, Ellis, Ferebee, Foster, Gahagan, Gibson, Gilbert, Green, Grier, Gunter, Hawkins, Hicks, Hinnant, Hodnett, Hoffman, Humphries, Ingram, Justus, of Henderson, Justice, of Rutherford, Kelly, of Davie, Kinney, Long, of Richmond, Malone, Matheson, McCanless, McMillan, Mendenhall, Moore, of Alamance, Nicholson, Painter, Pearson, Pou, Reagland, Shaver, Siegrist, Sinclair, Smith, of Alleghany, Smith, of Wayne, Stilley, Thompson, Vestal, Vest, Welch, Williams, of Harnett, Williams, of Sampson, and Wilson—54.

The House adjourned.

SENATE.

THURSDAY, April 1, 1869.

Leave of absence was granted Mr. Graham for Saturday.

Mr. Smith, from the Committee on Propositions and Grievances, reported favorably on the bill to abolish the office of Councilmen for the city of Newbern.

Mr Martindale moved to amend by submitting the act to the vote of Newbern for approval or disapproval. Adopted.

Mr. Brogden opposed the bill.

Mr. Sweet advocated it, as reflecting the wishes of his constituents. In its present form, it had no enemies, and he was at a loss to account for the zeal manifested by Mr. Brogden against it. Mr. S. was almost ready to doubt his right as a Senator on this floor, since the Senator from Wayne had come forward to represent his, Mr. S's constituents.

Mr. Osborne argued against any legislative interference with the government of Newbern.

Mr. Respass could see nothing unfair in the proposition. The Representative from Craven had a right to know of the wishes of his constituents; and he, Mr. Respass, did not think it wrong to let corporations know that when in their corporate capacity, they were not out of the reach of the Legislature, if they propose to act in contradiction to the will of the people. He held, "that the will of the people was the law;" he should, therefore, vote for the bill.

Mr. Welker held, that if the Council-men had, or were about to act improperly, the city had a remedy at law, &c., and with the information before him, he considered the bill objectionable.

Mr. Sweet, in reply, went somewhat in detail of the causes of the strife which existed in Newbern.

Mr. Love held similar views to those expressed by Mr. Welker.

A. H. Galloway, colored, presented a contract for the new Market in Newbern, which was read for the information of the Senate.

Mr. Sweet, in reply to the contract, stated that public spirited citizens of Newbern had agreed to build a new market of beautiful architecture on the present site, and present as a gift to the city, and the proposition was refused—for the purpose, solely, of giving the benefit of the proposed new market, to parties now occupying position in the board of councilmen.

Mr. Lindsay moved to lay the whole matter on the table. Not agreed to.

Mr. Sweet then moved to amend by fixing the election on the 2nd Monday after the ratification of the bill. Adopted.

Mr. Moore, of Carteret, moved to amend by striking out "ratification," and insert "approved by a majority of qualified voters of Newbern." Adopted.

The bill was then rejected by the following vote—yeas 15, nays 16.

Mr. Forkner, from the Internal Improvement Committee, reported favorably on several bills.

Mr. Respass, from the Committee on Salaries and Fees, reported on the bill fixing salaries of Judges of the Supreme Court.

Mr. Love presented a memorial from citizens of Cherokee county, for an election to be ordered for a tax collector.

Mr. Osborne gave notice of a bill to incorporate the Bank of Mecklenburg.

Mr. Graham gave notice of a bill to repeal certain sections of the Code of Civil Procedure.

Mr. Smith introducedd a bill to amend the charter of the Atlantic, Tennessee and Ohio Railroad Company. Referred.

The unfinished business of the last evening session, was renewed, to-wit: the consideration of the Penitentiary bill. The question being the appointment of the additional Commissioners.

The names of Alfred Howe, and — Boon, (both colored,) were put in nomination.—The vote resulted, Howe 17; Boon 5; for Dr. Chapin, Messrs. Love and Wilson.

The Senate then proceeded to vote for the fifth, and last Commissioner—whereupon, Mr. G. W. Welker received 31 votes; Mr. Welker voted for Mr. Watts 1, for Mr. Davis, Moore, of Carteret.

Section 5, being read, Mr. W. D. Jones moved to amend, so as to authorize the employment of the necessary machinery for the use of convicts. Adopted.

The blank in the section was filled by inserting $50,000.

Mr. Osborne moved a further amendment that the said sum shall be paid out the revenue to be collected by the Revenue bill recently enacted.

Mr. Hayes offered as an amendment to Sec 7, a proviso, that the Treasurer shall not advance any money, until all the proposals for its location are complied with. Adopted.

Mr. Osborne stated, that he was authorized to say, that the $10,000 and a deed for the land, would be soon placed on the Speakers desk.

Section 8, was so amended, on motion of Mr. Hayes, as to release the contractor from furnishing a plan.

There were no further amendments, and the question being on the passage of the bill its second reading, resulted, yeas 20, nays 14.

The remainder of the morning session was occupied in considering bills from the Code Commission.

HOUSE OF REPRESENTATIVES.

THURSDAY, April 1, 1869.

Prayer by the Rev. Mr. Shaver of the House.

Journal of yesterday read and approved.

By Mr. French: A resolution relating to the payment of the expenses of the Penitentiary. Lies over.

By Mr. Foster: A resolution requesting our members in Congress to vote for an extension of the Bankrupt law. Lies over.

By Mr. Ladlin: A bill to incorporate the Harnett Hose Company, in the city of Wilmington. Referred.

On motion of Mr. Moore, of Chowan, the rules were suspended, and the bill in relation to the State Canal leading from Lake Landing on Matamuskeet Lake to Yeocking Creek in Hyde county, was taked up.

Mr. Moore took the floor in explanation of the bill and read to the House various communications in reference to the matter. [This bill asks for an appropriation of $15,000 to be issued in bonds to run for thirty years, the county of Hyde pledging to pay the interest during the thirty years, by taxes levied for that purpose.]

Mr. Barrow said the bill did not exactly suit his views, in some particulars; yet, as portions of the County stood greatly in need of having the canal speedily worked upon, therefore, he would accept the bill in its present shape, &c.

After some further discussion, the bill passed its second reading, by a vote of yeas 61, nays 6.

By Mr. Smith, of Martin: A bill to elect Commissioners in the town of Jamesville, Martin County. Lies over.

On motion of G W. Price, colored, the rules were suspended and the resolution allowing *per diem* for the time during recess was taken up.

Mr. Pou moved to postpone, indefinitely and asked the yeas and nays upon the motion.

The yeas and nays were refused and the motion to indefinitely postpone was voted down.

Mr. Durham moved to lay the resolution on the table, and demanded the yeas and nays.

The call for the yeas and nays being sustained, the House adopted the motion to table by the following ballot:

YEAS.—Messrs Allison, Ames Armstrong, Banner, Barnett, Blair, Boddie, Davis, Dixon, Durham, Mills, Ferebee, French, Gahagan, Gibson, Grier, Gunter, Harris, of Franklin, Harris, of Wake, Hawkins, Hendricks, Hicks, High, Hinnant, Hodgin, Hodnett, Hoffman, Humphries, Jarvis, Kelley, of Davis, Kelley, of Moore, Kinney, Long, of Richmond, Malone, Matheson, McMillan, Mendenhall, Moring, Moore, of Alamance Morris, Nicholson, Painter, Parker, Pearson, Pou, Robinson, Reynolds, Seymour, Shaver, Siegrist, Simonds, Smith, of Alleghany, Smith, of Martin, Smith, of Wayne, Snipes, Stilley, Thompson, Vestal, and Welch.—37.

NAYS.—Messrs. Bowman, Carson, Carey, Cawthorn, Cherry, Clayton, Farrow, Forkner, Gilbert, Hayes, Hilliard, Hudgings, Ladlin, Leary, Mayo, McCanless, Morril, Price, Renfrow, Robbins, Sinclair, Stevens, Sweat, Sykes, Vest, Wilkie, Wilson, and Wiswall.—27.

Mr. Seymour introduced a resolution requiring the Secretary of State to mail to certain county officers certain acts.

On motion of Mr. Seymour, the rules were suspended, and the resolution was adopted.

A message was received from the Senate transmitting the House bill allowing the Governor $1,000 per annum, and $1,000 as house rent, and allowing the Treasurer $3,000 per annum, with the following substitute, to-wit: "That the salary of the Governor of the State shall be $5,000 per annum; and the salary of the Treasurer shall be three thousand per annum, commencing with their term, payable quarterly.

On motion, the amendment was concurred in.

By Mr. French: A resolution allowing the members that remained in the city during the recess, $3 per day. Lies over.

The consideration of the School bill was resumed.

J. H. Harris, of Wake, colored, moved to re-consider the vote by which section 33 was stricken out.

[The section provides that the Committee of any Township shall, when they deem it advisable, call a meeting of the voters, who either reside or pay taxes in the Township, and submit to them the proposition for a continuance of the schools beyond the four months required by law; and shall also submit to them an estimate of the expenses per month for the continuance of said schools.]

J. H. Harris, colored, continued for some time to advocate his motion to re consider, and, during his remarks, said that he would warn gentlemen that the 75,000 colored voters in the State would be more careful in future how they voted. Now, that those great principles that render all men equal before the law were firmly established, the colored voters would look more at men than at measures. Heretofore they had looked at measures, not men. He had infinitely rather support an honest Democrat than a weak-kneed, hollow-hearted Republican.

Mr. Ingram said those who had voted to strike out the section were the true friends of education. They believed that they should adhere to the restrictions in the Constitution, because Constitutions are intended to protect minorities; majorities can take care of themselves, &c.

Mr. Bowman next took the floor in opposition to the motion to reconsider. In reply to the insinuation that he was weak-kneed, he held such insinuations in contempt. He was standing fairly and squarely upon the Republican platform.—He was here to represent and protect the interest of all in their just rights. He was astonished to see certain leading Republicans on this floor advocating mixed schools, &c., when they so bitterly denounced such a thing in the canvass. He was opposed to mixed schools. He was opposed to forcing parents to send their children whether they wished to do so or not. He was opposed to the section because the people were too poor at present to keep up the schools for a longer period than four months, and the provisions of the section in question, allowed voters who would have to pay no part of the necessary tax to keep up those schools longer than the time proposed in the Constitution, to make those who would have to pay shoulder a burden that they were in no way able to bear. He moved to lay the motion to reconsider on the table.

The yeas and nays were called and the House laid the motion to reconsider on the table by the following ballot:

YEAS.—Messrs. Allison, Armstrong, Banner, Barnes, Blair, Boddie, Bowman, Carson, Clayton, Davis, Davidson, Durham, Ellis, Farrow, Ferebee, Gibson, Gilbert, Green, Grier, Harris, of Franklin, Hawkins, Hendricks, Hicks, Hodnett, Hoffman, Humphries, Ingram, Jarvis, Justus, Justice, of Rutherford, Kelly, of Davie, Kelly, of Moore, Long, of Chatham, Long, of Richmond, Malone, Matheson, McMillan, Mendenhall, Moring, Moore, of Alamance, Nicholson, Painter, Pou, Reagland, Robinson, Shaver, Smith, of Alleghany, Smith, of Wayne, Thompson, Welch, Williams, of Harnett, Williams, of Sampson, Wilson—yeas 54.

NAYS.—Messrs. Ames, Carey, Cawthorn, Cherry, Crawford, Dixon, Downing, Forkner, Foster, French, Gahagan, Harris, of Wake, Hayes, Hodgin, Hudgings, Kinney, Ladlin, Leary, Mayo, Moore, of Chowan, Morrill, Parker, Pearson, Price, Renfrow, Robbins, Reynolds, Seymour, Siegrist, Sinclair, Snipes, Stevens, Sweat, Sykes, Vest, Wiswall—nays 45.

J. H. Harris, of Wake, colored, moved to adjourn. Lost.

The same moved to take a recess for two hours. Ruled out of order.

The same arose to a question of privilege and during his remarks said that the gentleman from Anson (Ingram) had said more than once that certain Republicans had entered into a contract with the Democrats to defeat the bill, &c.

Mr. Ingram said that he had entered into no such contract or did he know of any having been made. But he could say that an attempt had been made by the minority to defeat the bill, and he could prove, if required by parliamentary law to do so, that certain of the minority had attempted to influence others to vote to lay the bill on the table because they saw they could not pass the bill as it came from the Senate, &c.

Messrs. French, J. W. Leary, colored, and Downing, favored the bill as it came from the Senate.

B. W. Morris, colored, moved to strike out the 56th section.

[The section provides that the school authorities of each and every Township shall establish a separate school, or separate schools, for the instruction of children and youth of each race resident therein, and over six and under twenty one years of age, and such school or schools shall be regulated supported and instructed in the same manner and to the same extent as any other public school or schools of the same grade.]

He (Morris) thought the section injurious to the State and injurious to the Republican party. He was in favor of separate schools, but thought such matters should be left to the Board of Education, or to the various school committees, &c. The parents of colored children, as well as those of the white, wished their children to be taught in separate schools. Then why say that the schools *shall* be separate, when all parties desired nothing else, unless you wished to convey the impression that either one race or the other wished to have mixed schools? If the putting of some two or three colored children in a school of white children is such an everlasting disgrace, is it not equally disgraceful that we are here together? Is it right and just to tax payers in some localities where there are but five or six colored children, that the expense should be entailed upon the County to keep up a separate school for those children?

Mr. Downing. Do you think anything of that kind will happen in your section?

Morris. No sir. But it will in the Western portion of the State.

Mr. Sinclair. Suppose in a district there should be but five or six colored children, would you be in favor of educating them in the same school assigned to white children.

Morris. I would leave the matter to the good sense of the School Committee. I would like to know if the gentleman from Robeson, (Sinclair) would be in favor of erecting a school just to accommodate those five or six colored children?

Mr. Sinclair. Most certainly sir I would. I am decidedly in favor of separate schools in all cases, &c.

Morris continued by saying he was in favor of colored Conventions but did not wish the law to say whether he should go to a colored or a white Church, &c.

Reynolds, colored, favored the motion to strike out the section. He was in favor of separate schools but did not wish the law to make a discrimination.

Mr. Moore, of Chowan, said strange as it might seem, he obtained the floor, not to make a speech, but in order to stop speech-making. He hoped that the gentleman from Mitchell (Mr. Bowman) would call the previous question on the bill.

Mr. Bowman called the previous question.

The call was sustained and the question recurred upon the motion to strike out section 56 which was put to a vote and lost.

The question then recurred upon the adoption of section 57, when,

The House on motion adjourned.

The following is the vote of the Senate, by which the Penitentiary was located at Salisbury:

YEAS.—Messrs. Barnes, Barrow, Beeman, Eaves, Forkner, Lindsay, Long, Love, Mason, Melchor, Moore, of Yancey, Osborne, Scott, Sheffner, Smith, Welker, Winstead and Wilson—18.

NAYS.—Messrs. Bellamy, Brogden, Burns, Colgrove, Cook, Eppes, Galloway, Graham, Hayes, Hyman, Jones, of Wake, Lassiter, Martindale, Moore of Carteret, Respass, White and Wynne—17.

THE SENTINEL.

THURSDAY, APRIL 1, 1869.

CHIEF JUSTICE PEARSON TO GOVERNOR HOLDEN.

"I am sorry, Governor, that the Court has ordered one of your officers to jail for contempt."

Governor Holden: "Court or no Court, Chief Justice or no Chief Justice, d——n me, Sir, if my officers go to jail until you go over the dead bodies of my militia."

Governor Holden meets a minister of the Gospel, as he is hurrying to the mob on Market Square, followed by a posse, and raising a big black stick, without the least provocation, cries out with the voice of a white-livered coward, "Who are you, Sir?"

BROTHER PEPPER'S GONE.

The Chaplain of Governor Holden's reconstruction staff goes with his negro regiment to reconstruct the State of Louisiana. We wish he could take Pilgrim Ashley, Littlefield, Menninger and his new carpet with him; yes, and Brother Brewer too.—We don't see what good this pious brother has done in this portion of the vineyard. He was intimate with the Governor and yet not able to keep him out of the grog shops.

We know of no human soul who has been benefitted by Brother Pepper's discourses except Gov. Holden. We have no doubt that the brother's influence in the League, kept the black vote up to the Governor in the late campaign.

We do Brother Pepper this much of justice. We don't think he needs ipecac. We have never heard of his taking anything that belonged to another. We wish you well, Brother Pepper. If you hope for your soul to march on with the good in the next world, your body must quit marching with Holden in this.

Vale, vale, longum vale, Brother Pepper.

ARRANT!!

Not long since, complaint was made in the Senate, by the Senator from Jackson, that on that morning, over 78,000 pages of printed matter was laid on the desks of members, the printing of which was unauthorized, and a shameful tax upon the people of the State. Mr. Love then offered a resolution to prohibit the repetition of this great wrong, which *still hangs* on the calendar.—At a later day 28,000 additional pages were brought in from the Public Printer of the same character as the above. Mr. Love complained again. But still the Senate refused or failed to stop this reckless expenditure. But further. And we beg taxpayers, regardless of party, to note the following facts:

On Monday last, the Committee on the Penitentiary, made *two* reports and offered a bill. A motion was made by Mr. Jones of Columbus, *to print*. This motion was *voted down* as the Journal of Monday shows. Yet in defiance of this decree of the Senate, the two reports and bill *were printed*, as was also an additional report off red by Mr. Burns of Chatham. It may and should be noted, that Mr. Burns' report was never heard of, until it was offered in the Senate, in the *printed* form. Query. Who ordered this printing which the Senate refused to order? Who ordered the printing of Burns' report? But the question of most importance to the merchant, ploughman and mechanic, is, who pays for this? Will the printer tell us?

A KING FOR SPAIN.

Late dispatches tell us that the Spanish Cortes have decided to have a King whose term shall be for life. It is supposed that Louis de Orleans, Duke of Montespensier will be elevated to the throne. He is a Bourbon, and the fifth child of the late King of France, Louis Phillipe. He married the sister of Isabella, Queen of Spain, who was recently deposed by the revolutionists. He is said to be a gentleman of excellent character and his wife "a lady of great domestic virtues."

We do not know how all this would suit the notions of Louis Napoleon. He is a very wary and sagacious potentate, and will not regard, we should judge, with much favor the enthroning of one of the family of the Monarch who lost his crown chiefly through his own machinations. If the Emperor should oppose this proposed movement a war will probably follow, as the Spaniards will not be willing to be dictated to by France. But after all, it may be determined in the Councils of Heaven, that a Bourbon King shall yet rule over France and Spain, united under one Dynasty.

RADICALISM IN VIRGINIA.

There is a nice split in the Radical party in Virginia. The extremists are for the most radical, ultra measures. They are made up of negroes and rabid whites. The Conservative wing is composed of the most respectable native Radicals. Many of these are men of wealth and influence. The former is led by Wells, lately arrested for stealing a letter from the mail bags; the other has a candidate for Governor in the person of Gilbert C. Walker. So the fight is between Wells and Walker—between a vindictive and bitter spirit, and a more moderate and generous spirit. We shall watch the progress of the combat, but hope some better man than either may wear the robes of office. We believe Col. Withers is the nominee of the Conservative party. Success to him.

APOLOGETIC.

We again apologize for the want of editorial matter and the usual news variety. We are crowded with legislative proceedings and are compelled either to omit them, or other matter of more interest and importance. In deference though, to the wishes of some, we publish the least important. We have at least four columns of editorial and several interesting communications awaiting an airing. Our correspondents will be attended to at the earliest possible moment.

THE FREEDMEN TO BE TAXED.

By the provisions of the Revenue Act, all males between the ages of twenty-one and fifty (except certain poor and infirm persons,) must pay an annual tax of one dollar and fifty cents. When no property can be found out of which to make the tax, it becomes the duty of the Sheriff "to garnishee any person indebted to the person liable" for tax, or to garnishee any person "*who may become* indebted before the expiration of the calendar year" to the "person liable," for tax due the State. The person or persons "so garnisheed shall be liable for said tax."

This is important not only to the colored population but to all who may employ them. Heretofore, the freedmen have not been paying their taxes, but hereafter they must bear their part of the burden. This is right. Our farmers should bear in mind that they will be held responsible for the taxes of their employees whenever they are indebted to them, or if they become indebted during the year.

GEN. CLINGMAN.—This gentleman has been in this city for some weeks, during which time he has mingled freely with our citizens. On two occasions a rumor has come to us, accompanied with some evidence of correctness, that arrangements were on foot to secure the services of Gen. Clingman as editor of the *Standard*. We had supposed it was gotten up by the particular friends of the *Standard* to help its circulation, and, hence, we have mentioned the rumors, in order to get from Gen. Clingman a contradiction. The rumor we published on yesterday, was based upon the declaration of Rev. Geo. W. Pepper, Chaplain of the 40th U. S. (colored,) Regiment, for some time an editorial *attache* of the *Standard*, to a gentleman of this city, *for the purpose of being made public*. We, therefore, repeated the rumor a second time, supposing it untrue, expecting to recieve a flat denial from Gen. Clingman, in order to forestall the evident design of the party in desiring its publication. No one in this city who has conversed with Gen. Clingman, believes the story so far as we know, and we learn he treats the rumor himself as a most ridiculous and laughable story,—so ridiculous as to be unworthy of any notice from him.

SOUR CROUT AND THE TIN CUP REGIMENT.—A friend from Alamance informs us, that the tin cup regiment, recently sent up to Alamance to *squelch* the Ku klux, actually devoured all of Squire Albright's sour crout—an exploit, which, in connection with the cock fight achievement, completes a record of which his Excellency has just cause to feel very proud.

R. B. ANDREWS & CO.

One of the handsomest clothing stores in the entire South is that of Messrs. Andrews & Co. The stock is decidedly tasteful and elegant. We state that which we know and testify to that we have seen. This enterprising firm are receiving daily their Spring stock and will soon have in a complete assortment of all kinds of goods in their line.

MR. HAHN who has just repaired and tuned the organ in Christ Church, will remain in the city for a few days. He is no doubt an excellent tuner and will be pleased to attend to any work in his line. He represents the Music House of J. A. McClure, Nashville, Tenn., and was formerly with the Messrs. Jardine, Organ Builders, New York. He is at the Exchange Hotel where all orders must be left.

SARGENT, the inimitable Wizzard, Ventriloquist, &c., will give two entertainments at Tucker Hall, commencing to-morrow evening. At the close of each exhibition, one hundred and twenty-five valuable presents will be distributed among the audience.

On each occasion, our own townsman, Mr. W. H. Vaughn, will regale the audience with music on the Piano.

NEW STORE.—Capt. J. G. Hester & Co., at R. W. Andrew's old stand, on Fayetteville Street, will open, early next week, a brilliant assortment of Dry Goods, Musical Instruments, &c. Due notice of time, will appear hereafter, in our advertising columns.

A CORRECTION.—Mr. King, the weigh master for the city, is not to blame in the matter referred to yesterday in the *Sentinel*. He charged twenty cents, and in doing so, he only carried out the city ordinance. We are glad to make the correction. The following is the law upon the subject:

"All fodder, oats, hay and other provender sold in this market shall be weighed at the public scales, and the weigh master shall give a certificate of the weight of the load, and also of the cart or wagon when unloaded; and if any person shall sell or buy any fodder, oats, hay or other provender which has not been weighed as herein directed, he shall forfeit five dollars for each offence."—Chap. XI, sec. 7, p. 41, of ordinances of the city, 1867.

NOVEL EXHIBITION—VELOCIPEDE RIDING IN TUCKER HALL TO NIGHT.—Capt. J. G. Hester, at the earnest solicitation of many friends, will give an exhibition in this modern style of *horsemanship*, at Tucker Hall, this evening, at 8 o'clock.

Captain Hester is an *expert* in this new mode of locomotion, and the exhibition cannot fail to prove amusing. We have seen the Captain on his new horse, and were both surprised and astonished at the speed he attained—equal to 40 miles an hour.

An opportunity will be offered any one who may feel disposed to do so, to "take a ride."

Admission 25 cents. Seats reserved for ladies.

Proceeds to be appropriated for benevolent purposes.

CONGRESSIONAL.

WASHINGTON, March 31.—SENATE—In discussing adjournment, Mr. Sumner said it was wrong to discuss adjournment until the Georgia question in all its branches was settled.

Mr. Howe retorted, Congress had had plenty of time. In addition to Congressional action and time, good sense was required.

Mr. Anthony had come to the conclusion to let Georgia take care of herself. He did not think it necessary to do anything for Virginia or Texas, or Mississippi, at this session. Those States that did not seem willing to come in he did not think we could help.

Mr. Sumner supposed, then, Anthony proposed abandoning those States. Mr. Anthony replied, "Only so far as I propose abandoning Massachusetts, Rhode Island and other States."

Mr. Warner was unwilling to go home until the States excluded do something for loyal Southerners.

The conference report on the civil tenure-of-office bill was adopted.

After an Executive session the Senate adjourned.

HOUSE—Mr. Whittemore introduced a joint resolution postponing the TEXAS election. Referred to the Reconstruction Committee.

The Ways and Means Committee were instructed to enquire into the expediency of reviving and enforcing the direct tax in lately rebellious States.

The conference report on the civil tenure-of-office bill was adopted. It goes to the President for approval.

The committee on elections reported a resolution seating Sheldon from the second Louisiana district. Mr. Burr presented a minority report.

Mr. Butler presented a bill removing political disabilities from loyal people. Answering questions, Butler said, 'Yes, it applies to everybody to every loyal man." Ordered to be printed and referred to the Reconstruction Committee.

The bill requires a petition to the United States Courts, the applicant admitting he believes the Confederate General and State governments were rebellious and treasonable, and truly repents acts done in maintenance thereof.

The Mississippi bill was discussed at great length, Farnsworth, Schenck and Dawes urging postponement.

FROM WASHINGTON.

WASHINGTON, March 31.—A private dispatch from Macon, Ga., announces that A. H. Stephens is on his death bed.

The Senate, in executive session, made no Southern confirmations.

The civil tenure of-office bill, as passed, uses the word "suspension" in the sense of removal, and requires the President to make nominations for vacancies within thirty days after the meeting of Congress.

The Attorney General decides that Gen. A. Halsey being a manufacturer or trader, is ineligible to the office of Register of the Treasury under the law creating the Treasury Department.

CHARLES' LONDON CORDIAL GIN, Or Pure Liquor of Juniper Berries.

This favorite brand of Pure London Cordial Gin, has stood the test of time, imitation, piracy, high tariffs and unfair competition, and still enjoys a constantly increasing sale; showing that true merit does not always go unappreciated.

CHARLES' LONDON CORDIAL GIN

is offered to the public as a perfectly reliable specific in all cases of DISEASED BLADDER and KIDNEYS. It acts directly on these organs, with a directness and speediness which renders it invaluable to persons suffering from GRAVEL, DIABETES, INFLAMED BLADDER, scanty and highly colored urine, and in all cases where, from whatever cause, a healthful diuretic is required.

Ladies subject to painful menstruation, can by the use of Cordial Gin a few days previous to, and during illness, obtain great relief. In such instances it should be taken with sugar and warm water.

As a tonic and beverage this Gin is unequaled as it possesses none of the headache properties to be found in those poisons, now so frequently sold under the names of Gin, Brandy, Whiskey, &c.

CAUTION! WE desire to warn the dealers in, and consumers of Snuff generally, that since the war, certain Tobacco Manufacturers, being unable to find a market for their snuffs, felt themselves obliged to counterfeit the general appearance of our packages and imitate our Trade Marks so that a close inspection is necessary to detect the spurious article from the genuine, and others going so far as to assert that "Lorillard's Snuff is no longer made."

In making this publication we desire to warn the public against the impositions practiced upon them, as they are the losers thereby. It will be found, upon comparison, that Lorillard's snuff is "far ahead" of all others, being made of the best stock, after an original and secret process known only to ourselves, besides possessing great age, strength and pungency, and is warranted not to contain any dangerous or deleterious substance, which cannot be said of many worthless articles put on sale by others. The best is the cheapest in the end. A circular will always be mailed on application. In ordering please specify if Half Snuff (High Toast,) or Full Snuff (Extra Scotch) is desired.

LIFE INSURANCE.

NATIONAL

LIFE INSURANCE COMPANY,

OF THE

UNITED STATES OF AMERICA,

WASHINGTON, D. C.

Chartered by Special Act of Congress, Approved July 25th, 1868.

CASH CAPITAL,

$1,000,000,

PAID IN FULL.

It is no longer a question with any man, who tenderly loves his wife and children, who considers how helpless would be their condition in case of his death, as to the duty of taking out a LIFE POLICY, but as to which Company he shall pay his money.

If he reflects a moment he will conclude to patronize the Company which shows the greatest degree of vitality, which extends its business over the largest area, which is a Home Company in every locality; which furnishes insurance at the least cost; which issues no policies that are forfeitable should he be unable next year, or any subsequent year to pay his renewal; and which is undoubtedly able to meet ALL ITS PROMISES.

With these feelings and views, he looks over the newspapers and, by the time he gets through reading the advertisements of Mutual or Mixed Companies, he finds his mind so saddled that he is at a loss where to go or what to do. He can not comprehend one-half that is written, and concludes that none but ACTUARIES, who are familiar with the principles upon which Life Insurance is based can comprehend or explain anything about dividends and his liability for notes given in part payment of premiums. In his dilemma, he rests into the plan adopted by the

NATIONAL

LIFE INSURANCE COMPANY,

U. S. A.,

and finds just what he wants:

An ALL-CASH PLAN, reduced to the LOWEST MINIMUM Rate, like any commodity in Market, so much Insurance for so much Money. No notes to give; no interest to pay; no anxiety about Assessments; no apprehension of his Policy being forfeited next year if he does not pay his annual Renewal; and the RATES so much LOWER than other Companies, that he realizes a larger Dividend, IN ADVANCE, than other Companies can pay him in the future.

He finds that, instead of this UNCERTAIN PROMISE, and present high rate, that the

NATIONAL

presents a certain and definite sum for a much lower rate, and puts up its paid up Capital of

$1,000,000

as a guarantee fund, that its contracts will be fulfilled, and, like thousands of others, cheerfully calls on their Agent to make his application for a Policy. Hence the unprecedented and most wonderful success of the NATIONAL as contrasted with the older and Mutual Companies.

The Company issued its first policy on the 1st of August 1868, and up to March 1st, 1869, it had issued 2,502 policies.

Amount insured,	$10 005,550,00
Total premiums,	$50,117.03

The whole number issued by the Connecticut Mutual in the first year of its existence was 501

By the Mutual Benefit of New Jersey,	494
" New England Mutual,	343
" Phœnix Mutual,	335
" Massachusetts Mutual,	313
" Equitable of New York,	977

The Mutual Life, of New York, in the first year of its existence, only issued 470 policies.

In its 10th year, 1,250 "
And in its 20th year, 1,843 "

this latter being 650 less than was issued by the NATIONAL in its first seven months.

LIFE INSURANCE.

The Most Vigorous and the Most Liberal Insurance Company in the Country.

BROOKLYN LIFE INSURANCE COMPANY,

141 Broadway, N. Y.

ASSETS OVER

$1,000,000!

CHRISTIAN W. POUCH, ... President.
ABRAM D. POLHEMUS ..... Vice President.
WILLIAM M. COLE ..... Secretary.
D. P. FACKLER ..... Consulting Actuary.
DANIEL AYRES, M. D., LL.D. ..... Med. Examiner.

POLICIES ISSUED AS GOOD AS UNITED STATES BONDS.

POLICIES VALUABLE IN LIFE AS AT DEATH!

The BROOKLYN LIFE is the only Company in the country which guaranties a definite surrender-value to every Policy on which two or more annual premiums have been paid; this amount, in dollars and cents, is endorsed on every Policy issued. should any Policy-holder become unable to pay his premiums, he can thus know the cash worth of the Policy at any time after two annual premiums have been paid.

This certainty is the greatest inducement and most tangible advantage ever accorded to parties insuring their lives.

Among the advantages offered by the BROOKLYN, which thoroughly evince the determination of the officers to make it the most LIBERAL Life Insurance Company in the United States, are:

1st. TOTAL REMOVAL OF ALL RESTRICTIONS ON TRAVEL AND RESIDENCE. The Assured may travel or reside anywhere they choose, the world over without extra premium or special permit.

2d. A Loan of one-third of the Premium to the Policy-Holder Annually.

3d. All Policies are non-forfeitable after two full annual premiums have been paid.

4th. Rates as low as are consistent with financial soundness, and less than those of almost all Companies which accommodate their insured with loans.

5th. Dividends annually (after second year) in cash. Dividends are divided on the CONTRIBUTION PLAN—the only equitable manner of dividing the earnings of a Life Insurance Company. The Contribution Plan was first conceived by Mr. D. P. Fackler, now Actuary of this Company and has been adopted by most of the best managed Life Companies in this country.

The BROOKLYN LIFE has paid and now pays to its Policy-holders LARGER DIVIDENDS than ever before paid by a Life Insurance Company!

6th. Promptitude in paying losses.

7th. No charge for policy or stamp.

The success which the "BROOKLYN" has achieved, fully exemplified in its rapid and healthful growth, is a convincing proof of the confidence reposed by the public in its soundness, integrity and liberality.

Sentinel.

PUBLISHED AT THE

CAPITAL OF THE STATE,

Daily, Semi-Weekly and Weekly.

NEW ARRANGEMENT.

The RALEIGH SENTINEL having passed under the Editorial management of the undersigned, it will, from the present date, be conducted by him.

It will be the zealous and fearless advocate of the CONSTITUTION of the United States, seeking to bring the people back to their ancient reverence for that immortal instrument, and to restore the policy of the country to that honored standard, as the only guarantee of National prosperity.

It will do justice to the men and measures of the present day, whenever they may merit it, but it will unsparingly lash and denounce all who set themselves up in opposition to the Federal Constitution, and hold up to the public indignation corruption and imbecility in high places.

It will ardently seek the promotion of the best interests of North Carolina,—moral, educational, material and political.

THE LATEST NEWS

From every quarter, both by mail and telegraph will be carefully collated and presented.

Full and correct market and financial reports will be given.

And, in one word, no effort will be spared to make the SENTINEL, in all respects, a reliable

FIRST CLASS NEWSPAPER.

NEW METHOD OF WASHING CLOTHES WITHOUT LABOR.

THE AUTOMATIC

CLOTHES WASHER AND BOILER.

THIS BOILER IS MOST EFFECTUAL, reliable and universally recommended. It can be used on any Stove or Range, in any boiler, and the Low Price of the article places it within the reach of every family.

This Boiler operates upon purely philosophical principles, is self-acting, and dispenses with labor and the wear of the clothes.

The hot suds and steam, by the action of heat, are driven up through tubes, poured upon the clothes, and forced through the fabric with great impunity, cleansing all stitches, from the finest lawn to the bed-blanket. For Flannels it is invaluable, as it does not and cannot act in the old process of rubbing and pressing.

The time required for cleansing a boiler full of clothes is twenty to thirty minutes, and nearly three hundred gallons of boiling suds are forced through the fabric, thoroughly loosening and eradicating the dirt WITHOUT LABOR or friction.—A thorough rinsing finishes the process.

Washing day will no longer be a terror and dread to housewives. The cost of the Boiler will soon be realized in the SAVING OF TIME AND LABOR, and the great saving in the wear of clothes.

The great value of this invention appears so clear, and appeals so directly to common sense, that we have deemed it unnecessary to accompany its introduction with numerous letters of approval, &c.

No invention has met with such ready sale and given such satisfaction. Call at LOUGEE & ELLIOTT'S, and see its wonderful operations.—We have the exclusive right to sell and manufacture in the State.
